The **Florida Combined Otolaryngology Meeting** is a combined annual meeting that includes the Florida Society of Otolaryngology Head and Neck Surgery, Florida Society of Facial Plastic and Reconstructive Surgery, Network of Florida Otolaryngologists and Network of Medical Audiology Professionals. The meeting features world-renowned otolaryngologists, plastic surgeons, medical audiologists and industry leaders sharing their expertise on a variety of topics, cutting-edge techniques and current successes. FCOM is an unparalleled opportunity to make and solidify relationships participating side-by-side with our attendees in all educational offerings, networking and special events.

This year's speaker lineup is packed with some of the brightest minds across topics such as rhinology, allergy, sleep, facial plastic surgery, otology, laryngology, head & neck surgery, medical audiology, business of medicine and more!

We invite you to attend, and please share our meeting agenda with colleagues and friends.

This year's in-person, annual meeting is taking place at the iconic, luxury resort – The Boca Raton – in Boca Raton, Florida and is made possible by our generous sponsors and exhibitors. Keep in mind, FCOM is the perfect place to bring your team, as this multi-provider meeting has something for everyone. Teams work better when they learn together and it's hard not to love a little Florida get-a-way in November! **The weather is beautiful, the resort is top-notch and the education is second to none.**

A special thank you to all our sponsors and exhibitors that make FCOM a success each year.

This meeting is possible because of them.

We appreciate their support!
